

International Economic Summit™
training the next generation of global leaders

CONTENT GUIDE

INSTRUCTOR TRAINING AND RESOURCE CENTER

HIGH SCHOOL SUMMIT PROGRAMS

This resource center on the Summit Website, www.econsummit.org, is designed to be used by high school instructors who are in training or have completed training and certification in the International Economic Summit program. Much of the material included in this section is copyrighted by the International Economic Summit Institute at Boise State University and may only be downloaded, copied or used in classrooms by teachers who completed official Summit program training and are licensed to use the materials. The material is organized into eight folders, the content of which is described in this content guide.
